

Team 1732 Hilltopper Robotics

Design-a-Robot Poster Contest

Open to students in grades 1 through 5.

Think about different ways of transporting and delivering letters and packages.
Then design a cool robot that can make that job easier.

On a 2022 Poster Contest Entry Form, illustrate your robot and
provide a brief explanation of what it does.

PRIZES

At least five winners will be chosen from all entries received. Each winner will:

- Become an honorary member of Team 1732.
- Receive an official team t-shirt.
- Earn a visit to the robotics lab at Marquette University High School (on a future date when it's safe to gather) that includes:
 - a guided tour of the workshop.
 - lunch with the team.
 - the opportunity to drive a robot.
